## **Astellas CSR Website Renewed -- Content Regarding Access to Health Added -**

**Tokyo**, Japan, April 2, 2012 - [Astellas Pharma Inc.](http://www.astellas.com/en/csr/index.html) (Tokyo:4503,“Astellas”) announced that it renewed its CSR (Corporate Social Responsibility ) site (<http://www.astellas.com/en/csr/index.html>) today.

This renewal has been conducted to enable those who browse Astellas’ site to better understand the company’s CSR-based management and its CSR activities. For example, CSR content headings such as “CSR Topics,” “CSR-Based Management” and “CSR Throughout Our Business Activities” have been added for visitors to navigate the site more easily. In addition, the site was enhanced with new content regarding Astellas’ proactive support for Access to Health.<sup>1</sup>

Astellas regularly updates its CSR site to provide visitors with a clear understanding of Astellas’ CSR-based management and its CSR activities.

<sup>1</sup>Access to Health: Unmet medical needs remain in many therapeutic areas. Furthermore, there are many people who are unable to access adequate medical care due to poverty or weak health systems. These problems are recognized as “Access to Health” and the CSR site introduces the various activities Astellas is taking to address to these issues under our Access to Health mission statement.
