

Pre-Approved List of Congresses and Medical Meetings

PT Astellas Pharma Indonesia

As of 1 April 2023

Astellas supports the education and training of healthcare professionals (HCPs) worldwide, including the sharing of the latest scientific information presented at national and international congresses.

Eligible healthcare organizations (HCOs) may submit grant applications to support HCP registration at the congresses listed below. Should you wish to submit a grant application for a medical education event or other medical meeting not listed below, please consult the requirements on the application form.

A maximum of 10 HCPs can be funded through each grant request. The HCO is only eligible to receive grants for HCP congress registration two times per fiscal year (April to March) per therapeutic area. Current therapeutic areas that Astellas Pharma Indonesia supports include:

- Oncology
- Haematology
- Nephrology
- Urology
- Immunology (including Transplantation)

Additional information about this grant funding opportunity can be found [here](#).
