21.5 If SUPPLIER is conducting market research in the course of providing the SERVICES, it must also comply with the relevant CODES and ensure that it has obtained all relevant consents (or note consent from individuals that have been telephoned) from respondent contacted. For the purposes of this section, the term "respondent" means any individual that SUPPLIER interviews for purposes of conducting market research such as, without

limitation, advisors, carers and patients and their families.

21.6 Notwithstanding Clause 21.5, if the SUPPLIER is engaging with healthcare professionals or patient organizations on behalf of ASTELLAS then ASTELLAS shall directly enter into an agreement with such healthcare professional or patient organization unless ASTELLAS authorizes the SUPPLIER in writing – prior to the execution of the relevant agreements – to sign such agreements directly with the healthcare professional or patient organization.

21.7 If SUPPLIER is making a payment or other transfer of value to applicable healthcare professionals or healthcare organizations on behalf of ASTELLAS, it must also comply with Astellas' request for applicable data related to payments and transfers of value, to ensure that ASTELLAS can fulfill its disclosure obligations required by applicable transparency LAWS and CODES. ASTELLAS will obtain and consolidate all applicable data on payments or other transfers of value from SUPPLIERS who make payments or other transfers of value on behalf of ASTELLAS.

Astellas may, in addition to its other rights and remedies, immediately terminate this Agreement in the event that Astellas receives information which it reasonably believes, in its sole discretion, may be evidence of a breach by SUPPLIER of any representation, warranty, or covenant set forth in this paragraph. In the event of such termination, Astellas shall have no obligation or liability to SUPPLIER for any fees, reimbursements, or other compensation or payments under this Agreement, including without limitation for services previously performed or items previously provided.

SUPPLIER shall report to ASTELLAS the AE and/or SS report and include (when available and permitted by applicable data protection law) the contact details of the patient or person involved with such incident and the person reporting to ASTELLAS on behalf of SUPPLIER.
