

# GRANTS TO HCOs TO SUPPORT HCP CONGRESS ATTENDANCE

## Pre-Approved List of Congresses and Medical Meetings

### Belgium – Luxemburg – Netherlands

Astellas supports the education and training of healthcare professionals (HCPs) worldwide, including the sharing of the latest scientific information presented at national and international congresses.

**Eligible healthcare organizations** (HCOs) may submit grant applications to support HCP registration at the congresses listed below. Should you wish to submit a grant application for a medical education event or other medical meeting not listed below, please consult the requirements on the application form.

**A maximum of 10 HCPs** can be funded through each grant request. The HCO is only eligible to receive grants for HCP congress attendance two times **per fiscal year** (April to March) **per therapeutic area**. Current therapeutic areas that Astellas Pharma B.V., Belgium, Luxemburg and the Netherlands, supports include:

- Oncology
- Haematology
- Nephrology
- Urology
- Immunology (including Transplantation)
- Women's Health

Additional information about this grant funding opportunity can be found [here](#).

### International Events

Grant funds are available for virtual or in-person registration only at pre-identified international/regional congresses (aimed at HCPs in more than one country) including but not limited to:
