Stellar Rewards

Astellas’ commitment to changing tomorrow includes operating in a socially responsible way every day, and making Astellas an elite place to work in the United States. We are constantly reviewing our total rewards package to ensure our employees receive valuable and highly competitive benefits and reward opportunities.

Changing Tomorrow is measured not only by our focus on bringing innovative and effective new medicines to patients and physicians, but also by the importance we place on the impact we make within the communities where we work and live.

Our employees participate and have access to the following programs as part of our efforts:

- **Changing Tomorrow Day:** Throughout the year and around the world, our annual Astellas Changing Tomorrow Day events mobilize employees to commit to an entire day of service to local nonprofit organizations focused on key areas of need.

- **Volunteer Time Off Program:** Astellas provides up to five days paid time off to full-time employees to volunteer for charitable organizations. The Volunteer Time off Leave is in addition to holiday or vacation time.

- **Matching Gifts Program:** Astellas will match, dollar for dollar, employee contributions made to four organizations: American Cancer Society, American Red Cross, Habitat for Humanity and Starlight Children's Foundation.
